

Stony Creek Library Celebration Books

A fun and easy way to celebrate or commemorate an occasion

Looking for a way to acknowledge a birthday, graduation, favorite teacher or someone special in your child's life? For a \$20.00 donation, you and/or your child can come to the library and select a Celebration Book from our collection of new, library-bound books.

Participants will receive a letter recognizing their gift, including a picture of the student holding their Celebration Book. A bookplate stating the name of the donor (if requested), the name of the honoree, and the occasion of the donation, will be placed in each book. If you are interested in donating a Celebration Book to our Stony Creek Library, please fill out the form below with payment (checks can be made out to Stony Creek PTO), and return it to school in an envelope marked "Library".
